

Technical Advisor (Hair Products) - 4985CA Winnipeg, Manitoba

Henkel operates worldwide with leading brands and technologies in three exciting business areas: Laundry & Home Care, Cosmetics & Toiletries and Adhesive Technologies. Our success is built on constant innovation and people who strive for excellence. Working at Henkel is much more than just a job. It's a passion. Have you got what it takes?

What we offer

To provide ongoing technical support to existing and potential clients. Educating hairstylists on product knowledge. Actively educate the hairstylist by providing theory and product demonstration. Co-ordinate in salon and classroom education. Respond to Education requests in a timely manner to ensure salon satisfactions. Conduct education seminars in various locations. Coordinate and execute industry events.

Position Responsibilities:

- Ensure salon customers receive ongoing product knowledge and training.
- Supporting our sales consultants by working closely with them to promote and sell products.
- Independently generate sales through educations.
- Target and secure new business through education.
- Preparation of daily activity reports.

Who we are looking for

- Hairstylist license
- Minimum of 5 years in salon experience with expertise in color.
- Ability to drive within territory.
- Flexible hours required due to shows.
- Strong Computer skills (power point, social media, etc.)
